

Annex 1: DATA SHEET – SUSTAINABILITY TRAINING SYSTEM

TITLE OF TRAINING SYSTEM	
Training energy efficiency officer	
Please assign the training course to one or more of the 10 Tourism2030-Topcis ¹ :	
CLIMATE CHANGE - ENERGY AND RESOURCE EFFICIENCY	
COURSE FRAMEWORK DATA	
Time period and dates: (→ Dates/ frequency/ period of course offer)	22.04.2024 - 14.05.2024
Type of training course: (→ seminar, workshop, self-checks)	seminar
Course venue: (→ Online/In-situ)	In-situ
Amount of working hours to complete the course:	32 h
Language of instruction:	german
Training course provider:	WIFI Wien
COURSE CONTENT	
Short course description:	energy management system (ISO 50001), efficient and sustainable energy use, sustainable energy optimisation, energy data collection, energy controlling approaches, reading and understanding of energy performance certificates
Competences and skills: (→ What will be learned)	set-up/implementation/further development of energy management systems
Specific course topics: (→ E.g. circular economy, plastic, food, energy, water, waste, biodiversity, green procurement, culture, etc...)	legal basics , collecting energy-relevant information and data - integration into existing management systems - energy controlling - data management - energy controlling systems - energy guidelines - energy manual - energy efficiency in buildings - thermal bridges - insulation materials - energy performance certificate and energy evaluation - energy efficiency - climate - heat generation and distribution - cooling generation and distribution - compressed air and vacuum generation - solar - photovoltaics - lighting.
Structure of course (Syllabus):	No information available
Working methods:	No information available
PARTICIPATION DETAILS	

¹ Natural Heritage & Biodiversity, Climate Change, Energy & Resource Efficiency, Travel, Transport and Mobility, Good Governance and CSR, Marketing & Certification, Cultural Heritage, Lifestyles and Diversity, Value Chain Management & Fair Trade, Human Rights & Labor Rights, Destination Management, Knowledge Networking, Training, Education

Target group: (→Hotels, apartment providers, camp sites, tour operators, restaurants, other)	Managers from all sectors, quality managers and quality officers, environmental officers (waste, toxic and hazardous materials officers) and interested persons who want to know more about energy management.
Number of participants:	No information available
Participants prerequisite:	Not specified
Technical requirements	none
FURTHER INFORMATION	
Certificate:	confirmation of participation
Course fee:	Euro 1050,-
Registration (modalities):	Online registration
CONTACT DETAILS TRAINING ORGANISATION
